STATEMENT OF OBJECTS AND REASONS

The Bill provides for the carrying out of a number of telephic alterations in the Madras
Port Trust Act which experience has shown to be necessary for administrative convenience.

2. The provisions in regard to the appointment of the Chairman and Trustees are inconve-
nient and out of date, and amendments have been introduced in order to facilitate the filling of
vacancies and the grant of pay and allowances to an acting Chairman. The opportunity has
been taken to propose a reasonable limit of officials to be appointed to the Trust and a minimum
number of Indian members.

3. In Chapter III provision has been made for the institution of a provident fund for
retirees and laborers, as also for the grant of compensation allowances to representatives of
persons who have died while in the service of the Board.

4. The purpose of the amendments in Chapters V and VI is to regulate the arrange-
ments under which certain services in connection with the handling and shipping of goods are
transferred under the authority of Government to landing agents.

5. In Chapter VII the provisions relating to the borrowing powers of the Board which are
out of date have been revised and the main provisions of the Indian Securities Act, 1920,
have been made applicable.

16 September 1922.
